

Electronic Correlations and Beyond - in Memory of Peter Fulde

International Workshop 3 - 5 October 2024

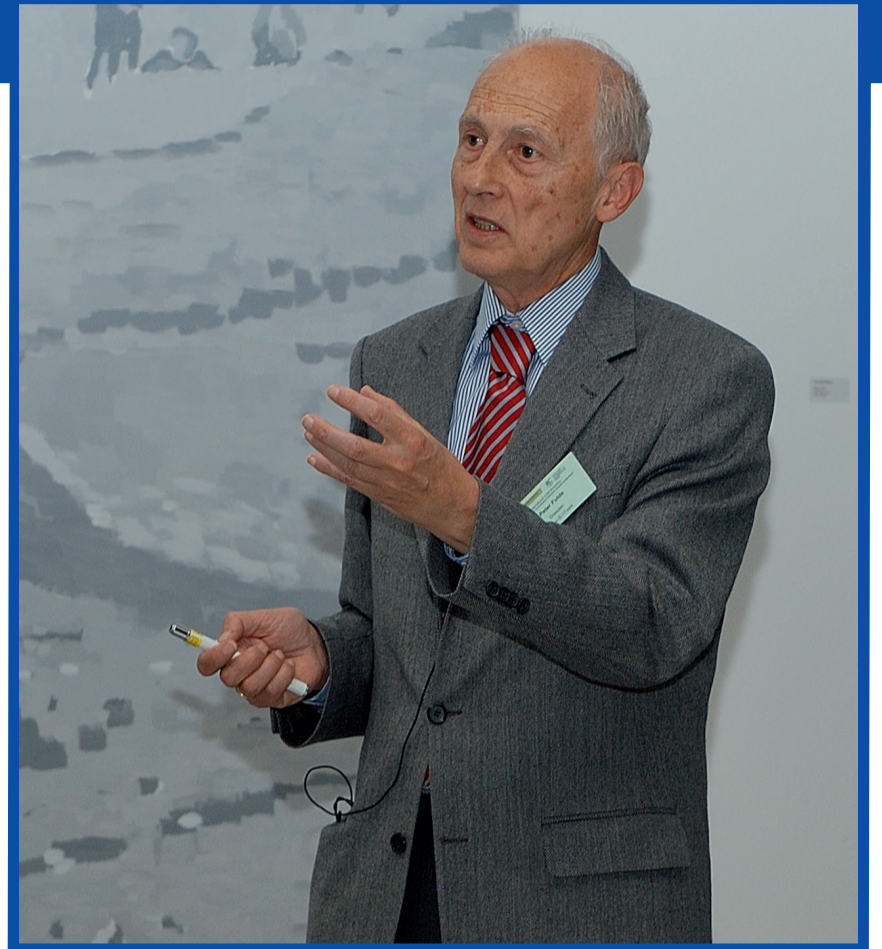

In remembrance of Peter Fulde, MPIPKS will hold a scientific meeting entitled "Electronic Correlations -- in memory of Peter Fulde". We aim to bring together scientists who have been influenced by Peter Fulde.

The core of the programme will consist of scientific presentations but there will also be an opportunity to celebrate Peter's life and achievements and to share memories.

Topics

all aspects of electronic correlations, including

- superconductivity
- magnetism
- heavy fermions
- many-electron wavefunctions
